

Deasafío #1:

Temáticas posibles para el proyecto final

Basado en el modelo de negocios:

19 e-Commerce only

With 'e-Commerce only', products and services are sold online only; a physical store is not needed. This saves money and it is possible to sell to customers all over the world. Customers can access the online shop 24/7.

Se identificaron las siguientes tablas que formarán parte del modelo de datos:
